

SEPTEMBER GAZETTE

September brings crisp air, beautiful seasonal changes, and a packed calendar filled with fun and entertainment!

We have many exciting activities planned this month. Keith Gennerman will entertain us around the campfire, and Alan Graveen will be back with his classic hit show. Jessica from 1st Impressions will join us as Jenny Appleseed, sharing the "Lost Lore and Tall Tales" of this beloved American legend.

Harmony Junction will provide music during our cocktail hour, and the Richfield Historical Society will return to share stories and memories from the past.

On September 2, we will be taking a trip to the Blue Heron for a pontoon ride through the Horicon Marsh. We hope to see a variety of birds, enjoy the beautiful scenery, and learn more about the history of this special area.

Please keep an eye on the monthly calendar for all of the wonderful activities being offered throughout September. Family and friends are always welcome to join their loved ones and participate in our activities. A special thank-you to everyone who participated in our Peace Lutheran School Drive. Your generosity and support were greatly appreciated!

For the month of September, we will be collecting donations for the Washington County Humane Society. The donations will be presented to them in October when they visit us. We look forward to enjoying another wonderful month together!

GARDENS FAMILIES

September is here, and I can hardly believe summer is already coming to an end! The first day of fall is September 22nd, and with it comes the beautiful change of seasons. The hot summer days will soon give way to cooler, crisp fall air, colorful leaves, and all the cozy things we enjoy about this time of year.

I hope you take some time this month to enjoy the changing season, spend time with friends and loved ones, and make some wonderful memories here at The Gardens. We have a fun month ahead, and I look forward to enjoying it with all of you!

The Gardens Dining Team would like to share some exciting updates!

We are now offering tableside ordering rather than taking meal selections ahead of time. This change will allow our residents to choose their meals at the table and enjoy a more personalized dining experience.

We are also making some exciting changes to our menu! We will be adding new favorites such as stuffed peppers and Salisbury steak, along with several delicious new dessert options.

And to top it all off, we are hoping to enjoy one more outdoor picnic this summer, weather permitting! We look forward to enjoying good food, fresh air, and time together.
