Autumn is officially in full swing, and November brings so many wonderful opportunities to gather, make memories, and celebrate the season together! We have lots of fun activities planned throughout the month, and I can't wait to enjoy them with all of you!

We will be kicking off our Christmas cookie baking, making sweet treats to share with our community and enjoy at our Christmas Party! You will also start seeing Christmas trees and decorations making their way out of storage. If you happen to see a tree or a few boxes sitting out, don't be shy! Stop by, take a peek, and feel free to help us hang a few ornaments. The more hands helping, the merrier!

Along with all the holiday excitement, we will also be celebrating Thanksgiving with a special program presented by the children from Peace Lutheran School. We are looking forward to welcoming them into our community!

As always, family and friends are welcome to join us for any of our activities. We love having you be part of the fun! I also want to extend a big THANK YOU to everyone who donated to our Washington County Humane Society collection. Your generosity and kindness are truly appreciated!

I'm looking forward to a cozy, festive, and joy-filled November with all of you. Wishing everyone a very Happy and Healthy Thanksgiving!

GARDENS FAMILIES ♡

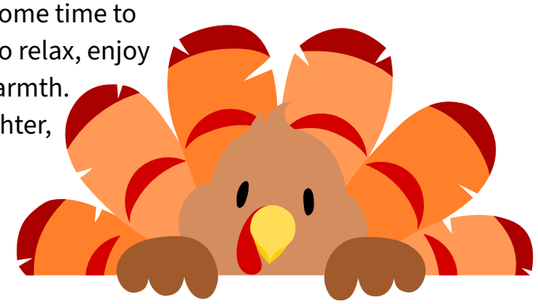

November is a time to slow down, reflect, and be extra thankful for all the blessings in our lives. As I look back on the year, there is so much to be grateful for: our health, family, friends, a beautiful place to call home, and of course, a good cup of coffee!

The holidays are such a special time of year. It's a wonderful opportunity to gather with the people we love, share memories, enjoy good food, and celebrate all the things we are thankful for.

With Thanksgiving right around the corner, I'd love to know... What is your favorite Thanksgiving dish? Mine would have to be stuffing with gravy poured right over the top! You just can't go wrong with that!

As the temperatures begin to drop, don't forget to take some time to get cozy! The fireplace in the TV room is a perfect place to relax, enjoy some conversation, or simply sit back and soak in the warmth. Wishing everyone a November filled with gratitude, laughter, friendship, and plenty of reasons to smile!
